College Students Reclassified For State Draft Call

State Selective Service officials are looking closely at the 158,000 California college students who have scholastic deferments to fill the shortage in the state's manpower to fill draft quotas, it was revealed this week.

The shortage is so great, according to Colonel Kenneth H. Leitch, that most of these students may find themselves reclassified into 1-A and thus be made eligible for the draft next June.

Whether they will actually be drafted will depend on the requirements of the armed forces during the spring and summer, Col. Leitch explained.

At present only single men in the 19 to 26 age bracket are being called, but their ranks have been so depleted that childless married men will be called in December to fill the state's quota of 4,727, Leitch said.

Regulations require that college students maintain a high standard by fulfilling a given quota of units each semester and attending classes each semester during a four-year course.

Presently a number of local students are being reclassified and may be called to take physical examinations or even for induction, but it is understood that those attending classes regularly and maintaining the required units will be excused until June at least at which time they may be reclassified.

Leitch said that student deferments may be reduced and that perhaps 128,000 of the 158,000 will be classified as 1-A. Continued deferments may be granted only on academic excellence, Leitch said.

Underpasses Are Open At Floriston

After five years of negotiations and planning, the road tunnels under the Southern Pacific tracks at Floriston and the approaches are now completed.

Supervisor H. G. Loehr said yesterday that further improvement on the road leading into the community will be accomplished next year, but that it now is adequate and provides access for all types of vehicles. A turn around for school buses was provided.

The project cost in the neighborhood of $60,000 and was a joint project between the railroad, the state and county.

The tunnels are 16 feet in diameter and approximately 40 feet in length. The old, narrow underpass will be filled.

Basketball Practice Scheduled To Start

Randy Bobby, director of the Truckee Donner Recreation and Park District, announced this week that practice for both volleyball and basketball are starting and he urged anyone interested in either game to attend the sessions being held at the Tahoe Truckee High School gym.

Volleyball practice will start at 7 p. m. November 7 while basketball started Tuesday and will continue each Tuesday and Thursday between 7:30 and 10 p. m.

An invitational tournament is scheduled to start December 13 and continue to the first part of January when league play will commence.

PERMISSION GRANTED FOR UTILITY PROJECT

The Truckee Public Utility District this week started installation of power and water lines into the Ponderosa Palisades subdivision just south of Truckee following action by the Placer County Local Formation Agency to permit the work.

The land in question involves 37.5 acres in Placer County which is included in the developing subdivision owned by Mr. and Mrs. C. S. Beavers.

CONVICTION AVERAGE IN COUNTY IS HIGH

There was a total of 39 felony crimes prosecuted in Nevada County during 1964, according to records maintained by District Attorney Harold Berliner.

Of this total, three cases were dismissed, one was acquitted by a jury and the balance of 45 were convicted, 38 on pleas of guilty, six by jury trial and one by court trial.

This gave a conviction percentage of 91.8 which stands significantly above the state percentage of 85.4.

BAND TO RENO

The Tahoe Truckee High School Band has been invited to take part in the pre auto show parade to be held in Reno tonight, according to Band Director Frank Austin. The trip will be made by school bus, leaving here at 5 p. m.

Purchase Believed Near In Negotiation For State Park Site

SACRAMENTO — (CNS) — Negotiations currently are underway for purchase of 1975 acres of land on the west shore of Lake Tahoe for the new Sugar Pine Point state park authorized by the 1965 legislature.

The legislature made $8.3 million available for a "negotiated purchase" of the property from the Ehrman estate in San Francisco.

This planned park program is unique in at least two ways—the property is believed to be worth more than the $8.3 million appropriated for its acquisition. The public works board, which handles property acquisition, is limited in the amount of money it can spend.

The legislature provides that, if a negotiated settlement is not reached on 1975 acres for $8.3 million, the board may proceed under condemnation for acquiring whatever may be purchased for $7.4 million.

Basis for the legislation was the belief the estate might sell to the state at less than the appraised value. Appraisals by the board were completed and the fact that negotiations were authorized indicates the appraised value of the property was equal to or exceeded the $8.3 million amount appropriated by the legislature.

The public works board has indicated an agreement for purchase of the property could be reached within the next week or 10 days.

Tahoe Dog Winner In 2 Kennel Shows

TAHOE VISTA—Mr. and Mrs. Bill Bates are justly proud of their Labrador, Agate Bay Trouble, who walked off with top prizes in the October 23 dog show at Petaluma against an entry of some 900 dogs.

Trouble the following day received similar awards in the Santa Rosa Show.

In the Petaluma contest, the local canine came up with eight blue ribbons, the first award for the best of show, best of breed, best of winners and best of opposite sex. Two silver platters were awarded by the Redwood Empire Kennel Club, sponsor of the show and the dogs were judged by William Parham.

At Santa Rosa the Winsona Kennel Club sponsored the show and there, too, Truble walked away with the show awards and earned seven points for the American Kennel Club show. Trouble was taken to the shows by Mrs. Bates and Mrs. Carl Cope.

MAN SENTENCED TO JAIL IN LOCAL COURT

Leon Coons, 52, Sacramento, was sentenced to 150 days in jail, with 90 days suspended, when he appeared before Judge F. W. Wilson Tuesday on a charge of violating section 7028 of the business and professional code. He was also placed on three years probation and ordered to reimburse Mrs. Callie Kydd $500 which he allegedly charged for preparing storm windows which were unsatisfactory.

The charge involved contracting without a contractor's license.

DRIVER INJURED AS CAR HITS TRUCK

Eugene Soulier, Jr., 27, Fair Oaks, was badly injured shortly after noon Tuesday when the car he was driving ran under the rear of a cattle truck on Interstate 80 near the Donner Lake interchange.

The truck driver, Fred E. Kuhagen of Courtland was not injured.

STATE OFFICER WILL VISIT SOROPTIMISTS

TAHOE CITY — Mrs. Archie Moore of Davis, district director of the Soroptimists Clubs, was a special guest at the meeting of the Lake Tahoe Club held at Crystal Bay Club October 26.

It was reported by Mrs. Lee Van Wetter that the wine tasting party at Tahoe City was a huge success and a vote of thanks was given those making it possible.

The Soroptimists will have a bridge luncheon on November 16 and reservations may be made by calling Mrs. Ray Fellows at Carnelian Bay.

Sierra Pacific To Have Area Center Erected At Tahoe

Ground was broken last week at Tahoe Vista for a test building which may set standards for roof construction in the Lake Tahoe basin.

Company and public officials participated in informal ceremonies markin the start of construction of a new Sierra Pacific Power Co. operations center to serve North Lake Tahoe and Truckee.

The $278,00 building is expected to be completed in the spring, if builders get a break in the weather.

The buliding is unique in that Placer County officials allowed the Sierra Pacific to test electric heat snow removal rather than enforce regulations requiring high pitched roofs. This permits construction of a low pitch roof with a reduced snow load capability while the warm roof surface prohibits the build up of winter snow pack.

Those visiting the site for the ceremonies found the contractor, Savini Construction Company of

Wolverines Travel To Lincoln Friday

Competing with the rugged Wheatland team at Wheatland last Friday night, the Tahoe Truckee Wolverines bowed to the team that is rated first for its size in Northern California by a score of 20 to 6.

Wheatland, heavier and more rugged than the Wolverines, was held to a 6 to 6 score entering the fourth quarter as the local boys fought their best fight of the year and took chances with an aerial attack and gambling plays which were taken advantage of by their opponents.

John Besio scored the only touchdown for the local in the opening frame.

This Friday the Wolverines travel to Lincoln for the final league game of the season, meeting the Vanden eleven at Travis Air Force Base in a varsity game only on November 11 at 1 p. m.

In the preliminary at Wheatland Friday, the junior varsity Wolverines lost 13 to 26.

District Schools Are Eligible For US Aid

The Tahoe Truckee Unified School District is eligible to receive $12,128.16 in the new federal program for disadvantaged children, it has been announced by Wilson C. Riles, acting state director of compensatory education.

California's share in the billion-dollar program is $78,886,281 during the initial year and any district with a sufficient number of children from low income families may apply for funds up to a specified amount.

PARENTS INVITED TO HIGH SCHOOL MEET

Parents are invited to the high school Tuesday evening at 7:30 when they will discuss the progress of the students with members of the faculty, Principal Harold Drummond announced.

Following a review with faculty members, an assembly will be held and refreshments served.

FIRE-ETTES TO NAME OFFICERS TONIGHT

The Truckee Fire Ettes will nominate officers for the coming year, this evening at a dinner meeting to be held at Smart's Restaurant.

Mrs. Maybelle Vahey, president of the organization, has extended a special invitation for all members to be present.

DEPARTMENT CALLED

The Truckee Volunteer Fire Department was called to the Vind Brothers Construction yard at 8 a.m. this morning when a motor on one of the trucks caught fire and caused considerable damage.

A SON FOR SHAYS

A son was born to Mr. and Mrs. Robert J. Shay of Sunnyside, Placer County, California, in Tahoe Forest Hospital on October 29. The chosen names for the small lad are Robert Michael and his birth weight was 7 pounds, 8¼ ounces.

SUNBEAMS

By WALTER M. BARRETT

We hear considerable discussions over the merits of the forthcoming hospital bond election, both pro and con. But we have yet to hear from anyone who believes that we should be without an adequate hospital, a fact which indicates that the issue will carry even though there may be some resentment connected with some yes votes. Need for the hospital is paramount and urgent. There can be no doubt of that, and the only way the project can be completed now to serve the growing demands is through a bond issue. An override tax, suggested by some, would require only a simple majority of votes, an easy solution, but one which would take years to get the job done and in the meantime costs may mount, the money already invested would be bringing no return and a shell of a building would stand idle. We believe it is time to desregard personalitites by blaming the board, the doctors, administration, architects or anyone else for real or fancied mistakes and get the necessary job done and then, if you like, thrash out personal likes or dislikes. A yes vote is required November 23 if we are to have the hospital which the community needs and deserves.

Johnson Discusses Local Area Issues

Congressman Harold T. (Bizz) Johnson, who represents this district in the lower house, accompanied by Mrs. Johnson, is making a tour of a portion of his district following the recent adjournment of the legislature.

Monday, the congressman lunched with directors and officials of the Truckee Public Utility District to discuss with them legislation affecting public utilities and other matters concerning rates, supply and distribution of electric power.

Following the meeting here, Johnson continued on to North Lake Tahoe where he met with utility officials and others, before continuing to South Tahoe for further conferences.

Attending the luncheon here to discuss problems with the congressman were Directors Edward Aweeka, Dave Rose, Charles Fink, Paul Doyle and Nace Firpo, Manager Francis Longo and George Cattan, district engineer.

Two Accused Seek Jury Trials In Court

Jury trials for two defendants changed with driving while intoxicated have been set for November 17 and 18 in the Truckee Judicial District Court before Judge F. W. Wilson.

Forest William Airington of Grass Valley has asked for a jury trial which was set for November 17. He was charged with drunk driving.

George Edward McClure of Petaluma also entered an innocent plea to a drunk driving charge. Both are being defended by Public Defender Leo Todd and Frank Francis, assistant district attorney is handling the prosecution.

HOSPITAL NEED TOLD AT MEETING OF CLUB

Mrs. Robert Affeldt, representing the Citizens' Committee for the Tahoe Forest Hospital, spoke to members of the Tinker Belles Garden Club at the meeting held October 26 in the home of Mr. and Mrs. H. M. Horton. Some of the problems of the bi-county institution were explained by the speaker.

During the session it was voted to add to the Pennies for Pines project of the club for the past three years. This is to fulfill the minimum donation for the worthy cause to the forest service so that the trees will be available for early planting in the spring.

Members will present and explain their individual hobbies at the winter meetings when gardening or field trips are not posssible, due to the inclement weather.

Over 300 Plan To Attend Dinner For Reagan On Sunday

TAHOE CITY—Ticket sales for the Ronald Reagan dinner and talk at the Olympic Village Hotel in Squaw Valley Sunday, November 7 have exceeded the 300 mark. The committee from the North Lake Tahoe Republican Women's Club, sponsors of Reagan's appearance, report that the capacity of the dining room is limited and are contacting all those with outstanding tickets to report at once.

The Reagan party, consisting of Mr. and Mrs. Reagan, Mr. and Mrs. Tom Reed, Mr. and Mrs. Fred Heffner are scheduled to arrive at Tahoe City at 4 p. m. Sunday and Lt. Bennett of the sheriff's department will be in charge of security during the visit.

Connie Cole heads the telephone committee to ticket holders to confirm reservations. Others on the committee include Nancy Brodie, Caroline Collier, Virginia Goodell, Teri Gore, Joan Hutchinson, Betty Packard and Lois Wall.

Reagan, prominent in the entertainment and political world, is favored as an outstanding potential candidate for governor of California on the republican ticket.

Cocktails will be served at 5:30 and the buffet at 7:30 Sunday evening.

Snow Queen For Ski Club Chosen

TAHOE CITY—The Lake Tahoe Ski Club annual membership dinner was held Saturday evening at the Crystal Bay Club. Skiiers and non-skiiers alike enjoyed the evening's entertainment, featuring a style show of ski fashions and the crowning of the snow queen.

Miss Janmarie Booth sponsored by the Women's Club of Tahoe City, was the winner; and Miss Julie Bechdolt, sponsored by the Tahoe City Optimist Club, was runnerup.

Queen Janmarie's crown was placed on her head by President Jim Brehler. Her prize was a striking ski ensemble. Julie also will be seen on the slopes this winter wearing a new ski outfit. Both costumes were made available by efforts of members of the club and by local sports shops. All queen candidates received necklaces and perfume.

Under Mrs. Carson Birmingham's direction, the membership dinner, attended by approximately 270 persons, netted over a thousand dollars, including ballot sales.

The success of the event assured funds to send local young skiers to the Junior National Ski Championship competition in Wyoming this spring. Hard work on the part of the queen candidates and loyal support by community organizations netted $1,062 from the sale of snowqueen ballots.

Persons wishing to join the Lake Tahoe Ski Club should contact Dr Richard Tierney, membership chairman, in Tahoe City before November 15.

Domergue Named To Airport Board

Jack Domergue, manager of the telephone company and president of the North Tahoe Chamber of Commerce, Tuesday night was appointed director of the Truckee Tahoe Airport District, succeeding Allen Lewis of Lake Tahoe, who has moved to Sacramento.

Domergue will serve the balance of Lewis' term, which would have expired next year.

Other directors are Jack Houlgate, Zeph Rose, Lauren Russell and Tom James.

OFFICER ADDED TO SHERIFF'S SQUAD

The Truckee squad of the sheriff's department was increased to four members this week with the arrival of John Pyle of Grass Valley, who has joined the department.

Pyle, a veteran of 15 years with the Los Angeles Police Department, has been residing at Grass Valley for the past two years and for the time being at least is commuting to his work here.

The employment of Pyle gives Truckee a total of four officers, with five to be added as soon as they become available, Sergeant Roy Waters announced.

Bank To Distribute $41,576 Locally In Christmas Checks

Santa Claus is coming to town early this year for Truckee residents.

They will soon be presenting themselves with a $41,576 gift, Manager R. T. Bollin announced today.

The manager of Bank of America's Truckee branch reported that the money accumulated in the bank's Christmas Club accounts will be distributed beginning November 15, in time for the holiday shopping season.

The local savings are part of $80.3 million accumulated by nearly 435,000 Christmas Club savers in Bank of America branches throughout California since last Christmas.

The $80.3 million total in the thrift program's 42nd year of operation surpasses the record high establshide last year by $700,000. The year's Christmas Club checks will average $184.85, up from last year's $178.35.

In Northern California, 205,000 persons tucked away $38 million in the holiday accounts with the bank, while southern Californians accumulated $42.3 million in nearly 230,000 accounts.

Most of this money will wind up under the Christmas tree on December 25, although some of the money will be used for winter vacations or paying such year-end expenses as taxes and insurance premiums.

Wilson Appeals For More Office Help

The board of superivsors Monday took under advisement a request by Judge F. W. Wilson of the Truckee Judicial District Court for a second clerk in the local office.

Judge Wilson advised the board that his court was swamped with processing motor vehicle violations and were as much as Grass Valley and Nevada City courts together. His figures for July, August, September and October showed that the Truckee court collected $29,691.60; Grass Valley, $15,766.25 and Nevada City, $14,915.99.

District Attorney Harold Berliner appeared before the board in behalf of Judge Wilson's request.

Den Mothers Are Needed For Cubs

Potential Den Mothers are asked to volunteer to assist in forming a Donner Trails or Meadow Park den of Cub Scouts of America, Pack 7, according to Mrs. V. Hansen who will welcome calls to that effect to her.

Bob Hansen, of Den 3 recently received his Wolf badge and gold arrow, Dan Stone of Den 2 was awarded the Lions badge and gold arrow, the result of study and application of Cub Scout requirements.

To swell the Pack treasury, the boys went on a sugar pine cone hunt and all interested children and adults are again reminded to see the displays of hand made articles in the local downtown business windows.

Due to the holidays, Mrs. Hansen said that pack meetings will be held November 22 and December 16, resuming the regular meeting days in January.

YOUTH CONFERENCE HAS BEEN CALLED OFF

Al Bequette, district superintendent of schools, announced that the Placer County Conference on Youth that was to be held in the State Theater at Auburn on November 6 has been postponed until spring.

The event is of interest to Lake Tahoe and Truckee people, who have planned to take part and the delay was made necessary due to illnesses or other commitments in the sponsoring group.

BOB KETTENHOFEN ENROLLED IN DENVER

A Homewood resident, Robert Kettenhofen, Chambers Lodge, Lake Tahoe, is among the 365 Californians registered this fall at the University of Denver.

About 7,900 students are enrolled at the 101-year-old University of Denver, largest private university in the Rocky Mountain region. All 50 states, several U. S. territories, and 49 foreign countries are represented in the current registration.

Body Of Bay Area Woman Located In Truckee River

The body of a woman, identified as that of Mrs. Lois Stephan, 53, San Francisco, missing since August 24, was found Tuesday in her submerged car in the Truckee river a mile east of Farad.

The woman was reported missing by her son, Duane Stephan, also of San Francisco at the time she disappeared. Mrs. Stephan was following her son as the two were en route to Susanville on a business trip.

Stephan told police that he lost track of his mother's car somewhere between Truckee and Reno as they were traveling after dark. A thorough search of the area at that time failed to reveal any trace of the missing woman.

Fishermen Sunday saw the car under the surface of the water in a six-foot hole. They returned to their homes in Roseville and reported the matter. The California Highway Patrol at Auburn was notified and in turn called the Truckee office. Officers Tuesday morning located the car and a diver was sent out from Reno to investigate.

Lieutenant O. P. Ledford of the CHP and Sergeant Roy Waters of the sheriff's department directed the recovery operation. The body, still in the small vehicle, was removed and taken to the Truckee Colonial Mortuary.

A sum in excess of $1,100, mostly in travelers' checks, was found on the body and no evidence of foul play was discovered, leading to the theory that the car got out of control and plunged into the river above where it was found. Death apparently was due to drowning.

Packing Trees By Horse Nearing End

Another ancient practice—that of transporting Christmas trees via pack-horse is soon to be a thing of the past.

Dave Medford of the Big Canyon Pack Station just west of Donner Lake, announced this week that with the completion of his present contract with Edward Doolittle this method of hauling Christmas trees from the back country is expected to be doomed, because of the excessive costs.

Medford explained that Christmas tree farms and synthetic trees have made it economically impossible to compete with the rare trees obtained in the higher elevations where it is impossible to eransport them by trucks.

Medford and Doolittle have been harvesting trees at an elevation of some 8500 feet in the Webber and Meadow Lakes area from Southern Paeific land.

Utilizing six pack horses, each carrying from six to 20 trees, depending upon the size, approximately 100 trees a day were hauled over the three-mile trail during the three weeks. Approximately 2500 trees of choice variety were brought out by the two men, who camped near the site while the work was in progress.

Man Accused After Attempted Robbery

KINGS BEACH — Sheriff's deputies reported the arrest of Ernest E. Murphy, 31, of Kings Beach on suspicion of an attempted robbery at the Brockway Theater.

Deputies said a man approached the ticket window Friday night armed with a pistol but fled before taking any money. Deputies who were furnished a description of the suspect arrested Murphy in his automobile a short time later. They said he was carrying a loaded 22-caliber pistol in the waistband of his trousers.

CONTRACT AWARDED FOR DONNER CULVERT

SACRAMENTO — (CNS) — The state department of public works today awarded a contract for $41,436.75 to Harold Skeans, Sacramento, for improving drainage (as a result of storm damage in December, 1964) on old U. S. 40 at Gregory Creek near Donner Lake, prior to relinquishment of this section of highway to Nevada County.

BAIL FORFEITED IN ILLEGAL FIRE CASE

Lane C. Milton of Sacramento forfeited $25 bail in Truckee Judicial District Court Monday. He was charged with violating the fire laws of the Tahoe National Forest.

Three other similar cases are pending in the local court, the forest service announced.

In the meantime, it is pointed out that the fire dangers in the forest are not over and will not be until a storm arrives. Everyone is warned that no fires are permitted without permits and permits are not presently being issued for open burning.

How to build a port for a storm

A little stockpile of U. S. Savings Bonds can turn into a mighty snug harbor in an emergency.

If an emergency never crops up (and we hope it doesn't), you're ahead considerably more than your Bonds cost you.

Bonds earn interest at a guaranteed rate. At maturity, you get back $4 for every $3 you invest. And your investment is backed by the United States of America.

And there's that quiet satisfaction that comes from knowing your Bonds are helping Uncle Sam build the cause of freedom throughout the world.

So get with the millions of Americans who have found Bonds a safe port in a storm. And a solid base for the future of their families.

Quick facts about Series E Savings Bonds

- √ You get back $4 for every $3 at maturity
- √ You can get your money when you need it
- √ Your Bonds are replaced free if lost, destroyed or stolen
- √ You can buy Bonds where you bank, or on the Payroll Savings Plan where you work

Edward James of Crystal Bay is confined to Elges Sanitarium in Reno where he is convalescing. Probably no one will recognize the correct name of "Pops", as he is known by all who frequent The Hill, because he always gave a stick of gum, a cherry smile and a friendly word to everyone he knew. Maybe readers would like to remember him now — address 2865 Idlewild Drive, Reno, Nevada.

L. J. Robinson is visiting his mother and her husband, Gwen and Art Wood, at Incline Village. L. J. was recently discharged from the army after completing his service. He was stationed at Panama for the last year and a half. San Francisco will be his destination where he has employment.

* * *

Rocky and Grace Hume have returned to their home at Palm Desert after visiting at Crystal Bay.

* * *

The Women's Club of North Tahoe met at the North Shore Club on Monday. President Eleanor Egan greeted members and their guests. Games followed the luncheon and business meeting.

Present at the luncheon were Inez Jordan, Ardith Burrill, Pearl Draney, Pearl Kientz, Virginia Flagg, Mildred Ricks, Louise Walter, Virginia Engelhard, Rith Mizner, Kay Felte, Iva Montgomery, Carie Gray, Ann Wilkens and new members Betty Sneed, Gwen Wood, Jonnie Davis, Merle Davis, Mardell Dempsey, Isabelle Kissinger, Virginia Stekall, Glady McKenzie, Lucille Grisham, Dorothy Gilmore, Vera Ozals, and guests Pearl Drulius, Charlotte Perry, Ann Dolce, Betty Mae Helms, Caryl Wilbur.

A dinner party was given by Mr. and Mrs. William Tamblyn of Kings Beach in honor of Marlea (Draney) Tamblyn's birthday on October 25th. Enjoying the evening at the Tamblyn home were Bob Tamblyn, Marlea's husband; Butch and Connie Tamblyn and children, and Marlea's parents, Ted and Pearl Draney.

* * *

Tom and Charlotte Perry are now residents in Kings Beach, having purchased the Gerlitz home.

* * *

The hunters, Harry S. Hooper of Reno and Dick Lavery of Crystal Bay, returned home from Meeker, Colorado. Dick was made doubly happy, having got his first elk and the only one on the trip, while Harry returned with a deer.

* * *

Don and Kitty Cox of Sacramento were weekend visitors to Dick and Ruth Lavery at Crystal Bay. The Coxs and the Laverys are planning a month's vacation in Hawaii, with plans to leave the 15th.

Tentative plans to join the Laverys and the Coxs in Hawaii are being made by Johnny and Jerry Rayburn of Incline Beach.

Bon voyage, all!

* * *

Ruth Lavery and Jerry Rayburn, Incline Beach attended the South Shore Room. After the show they motored to Reno to pick up the returned hunter, who awaited at the Harry S. Hooper home.

* * *

Bertha Arnold of Tahoe Vista has closed her summer resort, going to Santa Clara where she will spend the winter.

* * *

Frank and Fern James are back to Inglewood after spending the summer at their Tahoe Vista resort.

* * *

Otto Walter of Kings Beach and Dr. T. D. Wyatt were deer hunting near Austin last week but returned home empty handed.

* * *

Dick and Ruth Lavery of Crystal Bay attended the opening of the Ski Chalet on Freeport Blvd. in Sacramento. The shop is owned and operated by their son, Kenneht, and his wife, Virginia. Ken teaches skiing at Squaw Valley during the ski season and is a graduate of Tahoe Truckee High School and University of Nevada.

* * *

Marge Walker and Louise Anderson of Tahoe Vista and Elsa Culbertson of Kings Beach attended the Grand Chapter session, OES, at Long Beach October 16 thru 23. Louise completed her year as deputy and will be followed by Ingrid Hager of Dutch Flat. Marge will be the new Grand Matron of Truckee Chapter 116.

The North Shore Club hosted a season's end buffet for business friends Wednesday evening. Cocktails preceded the gourmet buffet and dancing.

Coming from Reno were Bud and Bethel Van Tassel, and son, Pieter. Pieter enjoyed dinner at the home of his brother and sister-in-law, Jan and Janene Van Tassel, at Kings Beach.

* * *

Chatted with Ted and Stella Startz and Otto and Louise Walter of Kings Beach over cocktails at the North Shore Club. The Startz have just finished a new home at Manzanillo, Mexico, where they will spend the winter. A caretaker will look after their Kings Beach interests while they are away.

Ted flew down a few weeks ago to check on the progress of the house, which overlooks the ocean, and to plan the landscaping. Bananas grow like weeds there, as well as other fruit, and their garden spot will have the advantage of the lush growth of tropical plants.

CLASS ACTIVITIES IN SCHOOL

KINGS BEACH SCHOOL

First Grade—Mrs. McDown: Pupils making 100 per cent on our first spelling test were Mark Dunham, Clayton Canfield, Patti Grover, Cindy Thomas, Brad Letlow, Elwin Decker and Rodney Lee.

Third Grade—Mrs. Thomas: The best spelling test papers were done by Annette Eyre, Rene Gilmore, Jeff Grover, Douglas Reynolds, Susan Reynolds, Vickey Rose, Kim Thomas, Candi Whitley Scott Wilson, Debra Withrow, Peter Adamco, Franz Behr, Kit Briscoe and Melinda Combs.

Fourth Grade—Mrs. Wing: Oral book reports were given last week by Lorene Hamilton, Del Reed, Teresa Ferrari, Kirk Cross and Jonni Randall.

Buddie Bitler and Kathie Lee brought sweet potatoes to school for a science experiment.

In a science test on the unit "How Plants Help Us", Betsy Shaw, Teresa Ferrari, Debbie Spillers and Judy Janzen received 100 per cent.

Fifth Grade—Mrs. Ferrari: Our bulletin board committee prepared an excellent one titled "For Fun Read Books." Those on the committee were Robin Randall, Lisa Faulkner and Mike Hiatt.

"Shining Stars" in penmanship last week were: Davey Ferrari, Dorothy McDonald, Mike Gass, Debbie Sipes and Lisa Faulkner.

The following had perfect grades on the first eight spelling units: Debbie Fellows, Mike Gass, Mike Kornazewich, Dorothy McDonald, Robin Randall, Debbie Sipes and Lee Wentz.

First Grade—Mrs. Corbin: The following people made 100 per cent in spelling last week: Mark Felte, Kacy Clark, Annette Ruhs, Pat Bitler, Ronnie Lochridge; Erik Hansen, Ann Cernusak, Lisa Holmstrand, Rosie Luescher and Carl Self was the only ones to make 100 per cent in group II spelling.

Best writing papers last week were Pat Bitler, Lisa Holmstrand and Ronnie Lochridge. They all wrote their own Halloween stories.

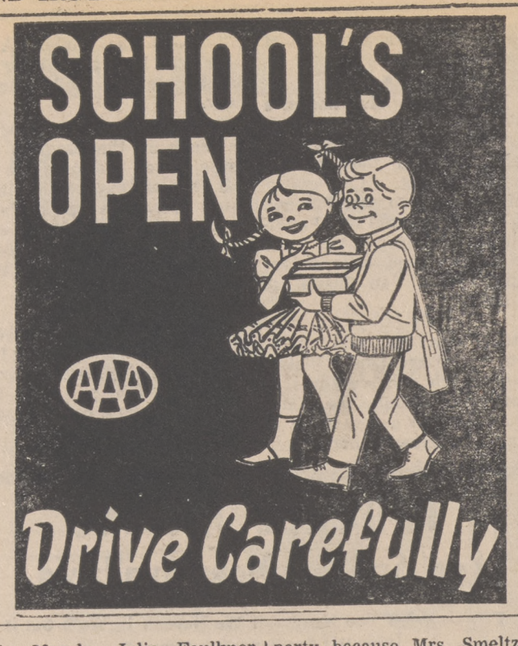

Eighth Grade Math—Mrs. Schultz: On our test on the natural numbers and their properties, John Gorrindo, Dona Beck and Taber Maxhimer earned A's.

Jerry Jerrems was absent for our last test on Chapter I, but had a perfect paper on his make-up test.

Our best effort award goes to two students, Holly Marple and Karen Peterson.

Sixth Grade—Mrs. Schultz: On our review spelling test Gayle Hansen, Julie Faulkner and Mitchell Westlund received A's and on the previous week test A's were earned by Randy Austin and Danny Bauer

We are learning to keep our work up to date so "Best Student Awards" are being given. For Tuesday, October 26th, Debbie Brockelsby and Ron Dunham received it; for Wednesday, Dennie Leuscher and Dennis Marple; for Thursday, Dennie Marple, Julie Faulkner, Ronnie Dunham, Patty Margherita, Patricia Gallegos, Gillian Byrne; for Friday, Patty Margherita, who won the "Award of the Week."

TAHO ELAKE SCHOOL

Kindergarten—Mrs. Henke: The kindergarten enjoyed the Halloween parties on Friday. They made masks and wore them to several of the classrooms when they paraded.

Mechelle Arthur introduced her mother to the class when she visited Monday.

First Grade—Miss Bean: Our class has 2 star bulletin boards where the neatest (and perfect) papers are displayed. Last week we had 9 star students. They are: in printing, Lisa Cordone, Laura Hendrix, Brian Pundt, Mark Bechdolt and Kelly Cole. In math color paper, Larry DeWalt, Lisa Cordone, Laura Hendrix, Glen Poulsen, Drew Briner, Bruce Tomlinson and Kelly Cole. On the big board assignment, Mark Bechdolt.

First Grade—Miss Neal: Our helpers last week were: Patti Bodine and Carol Peterson, housekeepers; David Frisbee, Doorman; Pam Baker, librarian; Sandy Webb and Valerie Wightman, paper officers; Melvin Haas and Carol Collins, ball monitors.

We had a wonderful Halloween party Friday, with Mrs. Weston and Mrs. Speck bringing cupcakes, cider in ice cream. We also had a real Jack-O-Lantern.

Second Grade—Mrs. Steinhauser: The class wanted to thank Mrs. Smeltzer and Mrs. VonNolde for the wonderful Halloween party on Friday.

A special note of thanks goes to Mrs. Ransom who helped with the party because Mrs. Smeltzer was ill.

Fourth Grade—Mrs. Evans: New class officers chosen by the class last week were: president, Bill Alrich; secretary, Dave Dodge.

The host and hostess serving for the Halloween party were Mike Gill and Mary Puisis. "Horrible" decorations were provided by Connie Christopherson, Jerry Osincup, Linda Menges and Frank Nash.

Games committee members were: Mike Files, Kandy Mottsinger. The members of the clean-up crew were Linda Kael, Cynthia Beck, Bill Alrich and Bobby Banta.

The class wrote several outstanding poems last week. Two of the very best were by Vanessa Stafford and Linda Kael.

Fifth Grade—Mrs. Kelly: A wonderful time was had by all at our Halloween party. Not only did we play a fun game of "Soak-em" against Mrs. Diurni's boys and girls, but we had delicious refreshments afterwards. Thanks so much to our room mothers, Mrs. Champion and Mrs. Orr for the extra special party.

Sixth Grade—Mrs. Brower: Big news for this last week—our Halloween party! Our special thanks to Mrs. Ron Attardi who gave valuable pre-party advice to our student officers and committee chairmen. Our thanks, too, to Mrs. Wally Ballenger and Mrs. Attardi for their help at the party. To our treasurer, Robert Barwin, we must give special thanks for planning the party budget and paying bills presented by the committee chairman. Chairmen for the party were: Colleen Buffo, games; Debbie Everson and Karen Mullen, refreshments; Judy Price, decorations, and Ricky Prouty, clean-up.

Current emphasis in our school program has been on "oral expression".

Seventh Grade—Mr. Brower: The appointed members of the newly-formed Student Court are Pat Northrup and Roland Schryer of grade eight; Mitch Packard and Susan Anderson of grade seven and Greg Jones of grade six. Roger Anderson will assume the position of sergeant-at-arms. Pat Northrop is chief of court.

Our court will meet weekly to help guide some of our students into roles of good behavior.

Seventh Grade—Miss Bowerman: The combined seventh grades had a great Halloween party, October 29th. Mr. Brower and I wish to thank the parents who attended our party to help make it such a success. There was dancing and plenty of cake and punch. There also were two dance contests. The slow dance contest was won by Susan Terry and Mike Thayer and the "freeze" contest was won by Kathy Van Wetter and Carl Melin.

Eighth Grade—Mr. Steinhauser: Top grades in last week's arithmetic test in graphing were earned by Nikki Ballenger and Carol Lindstrom.

The past week was spent in taking the state achievement and mental maturity tests. The tests are standardized over a large number of students, so we are going to find out how our students individually and collectively rate in their intelligence and academic schooling.

TRUCKEE ELEMENTARY

Mr. Hiskens Geography Class: Those people who received A's on a test concerning the Romans were: Robert Brumback, Bob Davis, Dennis Dent, Nola Houlgate, Debbie Jellin, David Greene, Debra Eckerman, Terry Bell, Patty Westbrook, Jimmie Beasley, Denise Peverill and Benny Garcia.

Second Grade News—Mrs. Scott: Best spellers last week were: Robbie Affeldt, Dick Boren, Josef Suter, Bobby Jones, Sally Abitia, Leslie Brinkley, Linda Burk, Kim Causey, Susan Edley, Trudi Nix, Mary Robinson and Terry Teeples. Our room Mother, Mrs. Harry Causey, gave us a wonderful party. Mrs. Boren and Mrs. Jack Jones helped her. Mrs. Westall was our guest.

LICENSES

A marriage license was issued to Ernest Stalcup, 21 of Kings Beach and Retha Stokes, 21 of Auburn in Nevada.

In Placer County a license to marry was issued to Roger L. Michener, 18 of Homewood and Jo Ann Morgan, 18 of Meadow Vista.

DONNER DOINGS . . .

By Vi White

It's back to long evenings now that we're on standard time again and having cable TV is certainly a pleasure. Clear pictures and good sound are wonderful plus the choice of stations is great. Thanks, Tom Kirby for bringing the outside world to our living rooms.

* * *

The water level of the lake is about as far down as it should get and all the piers are high and dry, however, it's an excellent chance to build or repair them. Noticed several families over on the south side putting new ones in last weekend.

* * *

Fishing season closed Sunday in the streams and lakes in the area (except Tahoe which is open all year) and I for one will never complain about the luck on Donner Lake!

While trolling on the placid waters Friday at the west end, thought my hook caught on the bottom, but as we reeled in, the fish broke water several times until my dad netted it and brought it into the boat. Wow! It was the prettiest rainbow we'd ever seen and those in the know said it was the biggest pulled out of Donner Lake—a fat 2½ pound, 19 inch beauty.

Some kokonee and smaller rainbow were caught during the closing days of the season, so those that weren't hooked will be that much bigger next year.

Watching the kokonee spawn will be interesting sight to see soon, when they thrash around depositing their eggs in the shallow water. It's amazing too to see the change in color, from a shiny silver to deep red and black.

* * *

The Sierra Tinker Belles Garden Club received a $5 donation from Molly Camilli recentiy for the Penny Pines Project to help reforest the burned areas around here. Molly is the wife of Dolf Camilli, the former famous baseball player who is now scouting for the Yankees. They have a cabin at Donner Lake and enjoy it as much as possible. Many thanks folks.

* * *

It's a shame that youngsters seem to enjoy shooting wildlife. While out trolling the other day, noticed a dead duck floating in the water. Such a waste. Too bad the kids didn't put a bullet in a floating can or bottle instead.

* * *

Sky Miles puts a litter container in all of his boats, a good idea, why not boats as well as cars? It's surprising what lands on the beaches. Picked up two buckets full of stuff the other day right near us. Let's make it a point to clear the sand of debris now, so that when the water does come up next year there won't be too much of a mess.

* * *

Skiers, don't forget the Ski Swap at the Tahoe Lake School Saturday. Good chance to buy and sell that used ski stuff and help out the Tahoe Community Nursery School.

* * *

The Donner Lake Property Owners' Association is asking its members, who are mostly summer residents, to designate their wish for rural delivery postal service. Rural service would only be good in the summer time because of the snow situation, so that's why so many of us are interested in having a

A number of people are paying their taxes under protest this year because the county has accepted old Hiway 40 from the state without the necessary drainage repairs caused by the poor engineering and construction of Interstate 80 above.

It is very important to keep water from flowing over the hiway, especially during the winter, for safety and protection of property.

PATROL TO ASSIST DEMOLAY PROGRAM

The California Highway Patrol will cooperate with the California State DeMolay Association and individual DeMolay Chapters throughout the state in conducting a Traffic Safety Week program, October 24-30, it was announced today.

Highway Patrol Commissioner Bradford M. Crittenden said uniformed officers will present safety education programs at special DeMolay Chapter meetings in all parts of the state.

"The purpose of DeMolay Traffic Safety Week is to stimulate voluntary compliance with traffic laws and impress upon DeMolay youths the urgency of finding methods of reducing motor vehicle accidents," Commissioner Crittenden stated.

DeMolay Chapters will conduct meetings to which all members of Masonic organizations and their families will be invited.

Joe Sante Quintet Now In Final Week

CRYSTAL BAY — Now in its final week on the Tapoz Room stage of North Tahoe's Nevada Lodge is the fabulous Joe Sante Quintet—an aggregation that combinrs whirl wind comedy routines with the best of the current hit tunes.

Featuring lovely Irene Keller, the Joe Sante Quartet spreads a total of eight instruments around the four men and a girl that make up this big, fast upbeat quintet.

Sante, long recognized as one of the top lounge stars on the west coast, plays two saxaphones at one time, doubles on the alto and tenor clarinet, bass, soprano sax and trumpet. Need we say more? Such versatility can only be seen to be believed.

Lovely Irene Keller sings in a low husky voice and does the novelty and comedy acts with old-pro Joe Sante.

Reed Gilchrist, Richard De Genero, and Phil Alexander round out this outstanding musical quintet.

The popular Mary Hickman Trio ends its stand on Monday, November when the duo of John and Bobbie join the Joe Sante Quintet on the Topaz Room stage.

DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS
NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 5101, Public Works Building, Sacramento, California, until 2 o'clock p.m. on November 17, 1965, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Placer and Nevada Counties, between 1.3 miles west of Hampshire Rocks Undercrossing and 2.6 miles west of Route 89, near Truckee (03-Pla, Nev-80-65.0/13.7), recessed pavement markers to be installed.

Bids are required for the entire work described herein.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions. Each bidder must be licensed as required by law.

The Department of Public Works reserves the right to reject any or all bids.

Abbreviations used in the schedule of predetermined wage rates in conjunction with employer payments listed in the right hand columns are identified as follows:

WATCH OUT FOR THE OTHER GUY

Just being in the right isn't enough. Nearly half the drivers in fatal collisions are in the right. So keep an eye open for trouble at all times, from all sides. Drive defensively—as if your life depended on it. (It does.)

FOG WARNING FOR DRIVERS IS ISSUED

Heavy fog which frequently blankets California's coast and many of her inland areas constitutes a serious driving hazard for those motorists who are unaware of the safety techniques used when driving under these conditions, reports the National Automobile Club.

According to NAC, motorists should practice these rules for their own safety and the safety of others when driving through foggy areas:

1. Switch headlights to low beam and concentrate on the right hand edge of the road ahead. Headlights on high beam only make vision worse.
2. Drive at a moderate speed and increase following distance, but if possible, avoid an accident by maintaining a speed consistent with traffic flow.

Women make up 56 per cent of the enrollment in Finnish high schools.

DONNER EPIC POEM IS BEING WRITTEN

CHICO — "Where the Donner-Reed party travelled, there goes George Keithley" should summarize the work being done by this member of the Chico State College English faculty, now on leave of absence.

He is engaged in writing an epic poem about the adventures of the ill-fated expedition in the Sierra, a narrative developed in the mind of its titular head, George Donner.

To Dr. Stanley Felver, chairman of the division of language arts, Keithley reports:

"I wanted to be as familiar with the material as I could become, considering the difference in time; to see and to feel as much of the life of the subject as I could find.

"So I went back to Decatur, Ill., and began coming through the farm country east of Springfield and from there tracing their route as they left Sangamon county and headed over the Mississippi to Independence, Mo.

"I drove where I could, and hiked where I could not take the car, and made some side trips, such as to St. Joseph, Mo., which was to supplant Independence as the overland route north supplanted the Sante Fe route south.

"I crossed the Blue River, then followed up to Ash Hollow, staying near the Platte, and from there to Scott's Bluff and the old site of Laramie, then on to the Little Sandy crossing, through the site of Bridger's post.

"I worked along their trail through the Wasatch Mts., out across the Salt Desert toward Pilot's Peak, then through the successive ranges in Nevada, keeping to the Humboldt river on to its sink, then following the Truckee to the Sierra and the camp sites."

Warning Is Issued To Drivers As Wet Weather Is Nearing

An added hazard of driving during rainy weather are brakes that become wet and temporarily are unable to stop a vehicle within a safe distance, according to the California State Automobile Association.

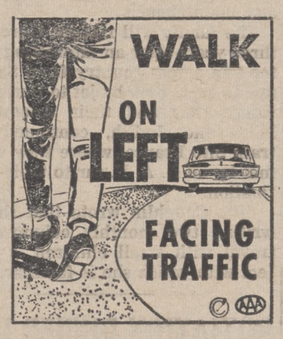

This situation is made even more perilous because drivers are not aware of it until after they have applied the brake and found them almost totally ineffective, warned the CSAA.

To avoid being caught off guard while driving in heavy rain or on water-covered roadways, the AAA club suggestes these steps:

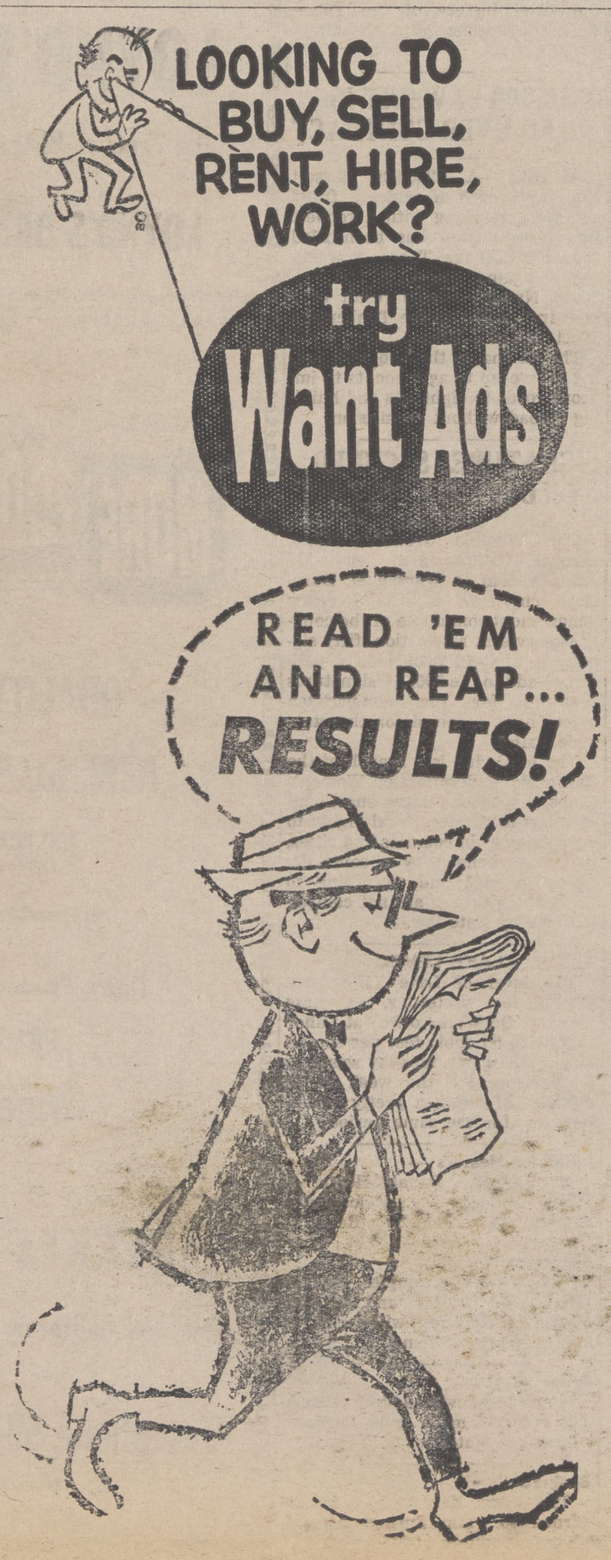

Apply the brakes at frequent intervals.

If they fail to hold properly, dry them by depressing the brake pedal firmly with the left foot while accelerating just enough to keep the car moving.

If traffic permits, test the brakes after several hundred feet. Repeat the procedure, if necessary.

Brakes may get wet if the car must be driven through high water. Assuming the vehicle can make it through the water without stalling or other dangers, the CSAA said, motorists should drive at slow speed to avoid creating waves that will splash the water higher and, once through, make an immediate brake test as suggested.

Classes Train Many For Jobs Under Federal Program

By Edwin S. Capps
CAPITOL NEWS SERVICE

SACRAMENTO — (CNS) Does it take more training to become a nursing aide, a chambermaid or a janitor?

According to some new schools just announced under the national manpower development and training act, the janitor training is tops. Of course, the job title is not janitory.

The department of employment said the postition is referred to as a porter in the San Francisco bay area but, in southern California, they'rs known as floor maintenance mechanics.

The department recently announced federal approval of 33 more vocational training classes in California. They will accommodate 796 trainees. The courses ranged from vocational nurses to hotel clerks to waiters and waitresses.

The course in janitoring will be conducted by the Palo Alto adult education department and will consists of 30 hours a week for 13 weeks. The department said the course will be entirely classroom study, with no actual training with the broom, mop or dust cloth.

"Some of the requests for janitorial help indicate the employers want persons with a basic education," a department spokesman said. "He needs to know how to read and write and follow instructions. Sometimes they may have to use poisonous cleaning elements and must be able to read the labels."

The chambermaid course also will be given at the Palo Alto adult education department and will include 10 weeks, at 30 hours a week. There will be three classes of chambermaids for a total of 45 and two classes for porters, with a total of 30.

Some of the other training courses just approved include: licensed vocational nurse, Glendale College, 50 weeks at 32 hours a week; hotel clerk at the College of the Desert, Riverside, 13 weeks, 30 hours a week, and at Riverside Business College, 10 weeks, 30 hours a week; plant wireman, Adult Day School, Oakland, one class for 49 30-hour weeks, others for 30 weeks at 35 hours a week.

Clerk-typist, Adult Day School, Oakland, 46 weeks, 35 hours; shipping and receiving clerks, also Oakland, 31 35-hour weeks; general clerk, also Oakland, 10 30-hour we eks; waitress and waiter, Monterey Peninsula College, Salinas, 18 weeks at 35 hours a week; phone operator, John Adams Adult School San Francisco, 49 weeks at 35 hours a week; and nurses aid, San Jose Adult Education Department, 6 weeks, 30 hours a week, and College of Marin, Kentfield, 7 weeks, 30 hours a week.

Persons enrolled in the courses are paid subsistence ranging from $45 to $60 per week. Courses are developed on th basis of job surveys conducted by the department.

The Salinas waiter and waitress training course is a unique one. The program has leased a downtown restaurant building, where courses also are being given for chefs and cooks. The trainees actually operate a restaurant, on several levels.

There is a drive-in, regular restaurant and others and given training is serving gourmet banquets. Only customers of the restaurant, if they choose, are students at the Monterey Peninsula College.

Apporval of the 33 new MDTA courses brought to a total of 1911 the number of courses approved for California. To date, 26,175 have been enrolled in the program.

The department keeps a check on the trainees when they leave the school, at three, six and 12 month intervals. One check showed about 75 per cent of the trainees entered jobs in that field and about helf of them still were in jobs related to the training a year later.

MEDICARE COSTS TO BE PAID BY COUNTY

SACRAMENTO — (CNS) — The assembly's version of a bill to put the federal medicare law into effect in California would put a ceiling of $98,785 on medical care expenditures in Nevada County.

Under the bill, AB5 by Assemblyman Jack T. Casey, D-Bakersfield, which passed the assembly by a 69-5 vote Tuesday, county costs under the new program would be limited by an option of accepting a ceiling on total county medical care costs (based on the 1964-65 year, plus population increases in the future) or on a dollar ceiling on existing federally-shared medical costs, permitting the counties to retain 10 per cent of the increased funds coming under the federal program.

The above-mentioned figure is computed as the county's medical care costs during the 1964-65 fiscal year.

JayCees Take Over Station For Today

The Donner Area JayCee's have taken over the local radio station, KHOE, for the entire day today. Since 7 a. m. until 10 p. m. tonight the JayCee's are presenting "Community Service Day", a program designed to present commentary on subjects of community interest.

Interviews with representatives of special districts will highlight the program as well as promotional activities of other service clubs, churches and civic organizations, Fred Hodder, president declared. Advertising during the day was through donations from local merchants to the JayCee's.

Along with the community service the chamber is providing a full day of music.

A regularly scheduled meeting of the Junior Chamber will be held this evening at 8 p. m. at Hill Top Lodge and prospective members are encouraged to attend.

PLACER WINS HONOR FOR EMPLOYE SAFETY

AUBURN—Placer County has been named one of the six top winners in the annual California County Employee Safety Contest by achieving the lowest work injury frequency rate among counties having between 401 and 700 employees.

R. A. Young, general manager of the state fund, presented a framed safety award to Will Jones, vice chairman of the board of supervisors, at the fifty-fifth annual meeting of the California County Supervisors Association at the Eureka Inn in Eureka.

Mr. Walter Sady, safety director, coordinates Placer County's safety activities. Analysis of accident causes has resulted in the establishment of specialized accident prevention programs that have contributed to an outstanding accident record over the past several years. Placer County has been one of the "top three" in its group each year since 1958.

MONEY COLLECTED IN DISTRICT FOR UNICEF

Halloween passed more or less uneventfully in this community. There was some egg throwing at cars, a few uncalled for acts of minor vandalism, but nothing of serious nature, officers reported.

The assemblage of treat or tricksters were well behaved, courteous and welcomed at scores of homes during the early hours.

Mrs. Pat Sutton, who directed the children collecting for UNICEF reported that at the last count $145 had been donated for the underprivileged children in the world.

This amount she said would provide 72,500 glasses of milk. This was explained by the fact that the only cost involved is transportation to countries where it is consumed, the milk itself being a surplus donation.

Assessments Are Up In Past 5 Years

At tax bill time, a study by California Taxpayers' Association points out that taxable assessed valuation in Nevada County this year reached $57.9 million, up sharply during the five years from the 1960-61 total of $41.3 million. On a per capita basis, the five-year change was from $1,976 in the county in 1960-61 to $2,170 per capita in the current 1965-66 fiscal year, an increase of 9.8 per cent.

The statewide total taxable valuation of property in all 58 counties increased from $29 billion 601 million in 1960-61 to $39 billion 464 million in 1965-66, an increase of $9 billion 863 million.

The association study pointed out that the county ranked 35 from the highest in a listing of the 58 counties throughout California. The statewide average per capita assessed value was $2,121 in 1965-66, an increase of $238 over the $1,883 calculated by the association for 1960-61 or an increase of 12.6 per cent.

Placer County's assessed valuation reached $184 844,675, an increase of 25.3 per cent over the 1960-61 fiscal year when it was $116,799,370. Placer ranked 21 from the top listing in the state.

The per capita assessment was up from $2,049 in 1960-61 to $2,567 during 1965-66.

OFFICIAL APPROVAL GIVEN SQUAW PLAN

AUBURN—Official approval has been given to Wayne Poulsen and the Squaw Valley Land and Livestock Company to construct a $750,000 multiple unit and condominium in Squaw Valley.

The developers plan to construct 28 multiple dwelling units and garages in Squaw Valley shopping area and 40 condominum units in 12 buildings in the Squaw Peak subdivision.

Sierra Building

(Continued from Page 1)

Sparks, already at work and shooting for an enclosed building before a general snowfall. This will allow completion of interior work without winter interference.

The new building is being constructed at the end of the existing National Avenue, near the headquarters of the North Tahoe Public Utility District at the site of the old gun club.

When complete it will serve as the office, operations and warehouse core of North Lake Tahoe, President Neil W. Plath said, and "become the utility nerve center of settlements from Incline Village to Emerald Bay and north to Truckee.

Operations Chief John Saibini said 35 people will be employed at the Tahoe Vista center, including employes from Truckee.

The operations center comprises three buildings, an office covering 4,200 square feet, 10,000 square feet of work and storage space and a fueling facility for Tahoe-based vehicles.

Plath said an open house is planned next spring so persons served by the North Tahoe center may become acquainted with it and with the location which is not on a major highway.

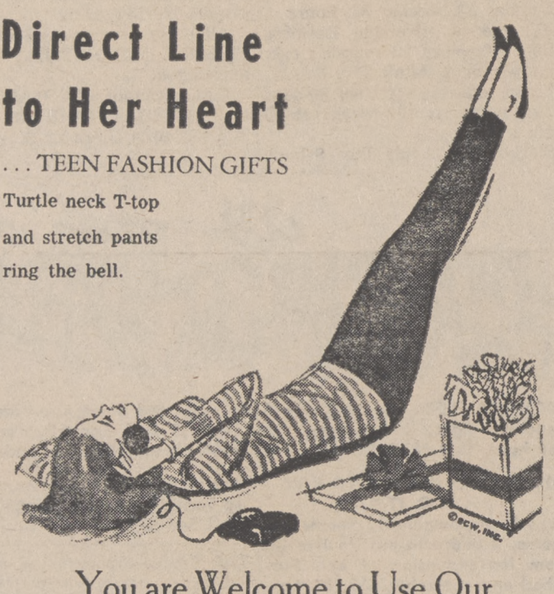

"This will provide us, he said, "with a unit operation from which we can handle the diversity of business related to the rapidly expanding North Tahoe scene." Plath predicted the new headquarters location would speed up maintenance and emergency services.

Placer County was represented at the groundbreaking by Supervisor William Briner of Sunnyside. Participating on behalf of Sierra Pacific were Plath, Saibini and Fred Talley, Tahoe district manager. Lockard attended representing the archtiects, Lockard and Casazza, of Reno.

Gino Savini wielded a shovel for the contracting firm.

ZONING HEARING TO AFFECT LAKE TAHOE

AUBURN —Hearing for exclusive agricultural zoning of 195 acre tree farm owned by James McClatchy et al was initiated by the Placer County Planning Commission, according to C. A. Giggs, commission chairman.

Hearing on this matter has been set for November 12 at 11 a. m. in the court house at Auburn.

Initiation of this rezoning by the planning commission was necessary due to an impending moratorium prohibiting the initiation of rezoning by property owners in the Placer County portion of Lake Tahoe until March 1966 is order to allow time for development of a general plan and new zoning ordinance for land on the north and west shores of the lake.

Gibbs stated that this decision by the commission to initiate exclusive agricultural zoning was based on their opinion that such zoning would be in the best interests of preserving agricultural, scenic and recreational values at Lake Tahoe.

FORMER TEACHER IS LIVING IN FRANCE

The former Donna Power, teacher at Donner Summit and correspondent for the Sierra Sun in past years, wrote from France, where her husband, Tom Coughlin is in the U. S. service in France, and in charge of the weather equipment and maintenance.

The family will remain there for three years after an interesting motor trip across country from Sacramento area, then by jet to Germany where they and their daughters, Mary and Judith, continued by train into France, where they were met by an A. A. F. car to their destination.

Mrs. Coughlin wrote that she is writing two monthly columns on travel with small children, a subject with which she is familiar.

INITIATION DINNER IS HELD FOR SQUAWS

TAHOE CITY — The Tahoe Squaws held their first fall initiation dinner at River Ranch Wednesday night to welcome new members into the organization.

The new members are Anita Ormsby, Ruth Taylor, Mary Lynn Kettenhofen, Katie Dow, Salty Gebhardt and Flo Wellings. A short resume of each new member was given by Ruth Lee, and Vice President Helen Gates welcomed them.

A brief history of the Tahoe Squaws was given by Audry Brehler.

$250,000 LAWSUIT IS FILED OVER CONTRACT

AUBURN—A $250,000 lawsuit charging breach of contract, fraud and trespass along with a request for an injunction has been filed here by 12 Lake Tahoe property owners against Anders A. and Nellie E. Nyquist as the result of a land transaction in the Timberland Tract at Lake Tahoe.

The 12 charge the two with failing to live up to agreements to improve roads to eight lots and building a road without permission.

SIGNATURES SECURED ON DECENCY PETITION

The Wyethia Women's Club, through its president, Mrs. Ed Aweeka, sent to Warren M. Dorn, state chairman of the Decency Amendment committee of the county supervisors association, fifty signatures of local people on a petition to add to the 500,000 signatures required for the non-partisan amendment required for the state wide ballot.

The local club is a branch of the California Federation of Women's Clubs, a sponsor for the enactment of a law to "restore local rights to fight crimes" in counties and cities, that was changed by a court decision in 1961 and, according to Dorn, these crimes are not controlled now by state law.

LAKE LEVEL
The level of Lake Tahoe was 6228.15 feet yesterday, according to Daryl De Walt's office at Tahoe City, with 50 cubic feet per second leaving the gates. Monday was high temperature for the week at 64 degrees, 31 being a pretty consistent low for the same period.

Gets License

SACRAMENTO, (CNS) — James O. Reimel, state director of alcoholic beverage control, announced issuance of the following licenses: Transfer on-sale beer and wine to Lester R. Lazzari, Donner Hotel, Bridge and Church Streets, Truckee.

Go to Millbrae—
The Jack Smiths of Tahoma expect to spend some time in Millbrae, later in the season.

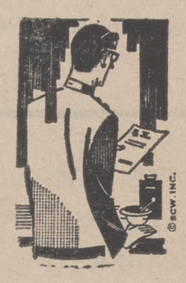

RENO MAN ASKS TO PLACE BUOY IN LAKE

RENO—John E. Brown of Reno has asked the U. S. Army Corps of Engineers for a permit to anchor a mooring buoy in Crystal Bay at North Lake Tahoe.

The buoy would be anchored 180 feet off shore in 15 feet of water. State Health and Welfare Director Wally White said he has not seen the application.
